Laura is a rock star, and you ask why? Not only did she make the listing process seamless, but after 30 days and getting no offers, Laura recommended we do a light renovation. She designed it, found contractors, and managed the project. She went out and bought accessories, and it came out great. And by the way it was done at a very fair price. Within one week we had multiple offers and the house was sold. On top of all that anything I ever asked they did, never said no, just how can we help, she got the house cleaned out, cleaned up and had it move in ready. Great assistant named Laurie, who's outstanding! *-Lance Boxer*
