Laura is a rock star, and you ask why? Not only did she make the listing process seamless, but after 30 days and getting no offers, Laura recommended we do a light renovation. She designed it, found contractors, and managed the project. She went out and bought accessories, and it came out great. And by the way it was done at a very fair price. Within one week we had multiple offers and the house was sold. On top of all that anything I ever asked they did, never said no. just how can we help, she got the house cleaned out, cleaned up and had it move in ready.
